

QUALITY POLICY

of Wojskowe Zakłady Lotnicze Nr 4 S.A. Warszawa

The policy of Military Aircraft Works No 4 Stock Corporation is continual improvement of the process of overhaul of products to increase Customers satisfaction. Offering high quality products, which are safe, reliable and efficient through the life cycle.

To achieve this objective we apply our Quality Management System as well as our activities performed in the fields of purchasing, overhaul and guarantee service of products. Expression of this policy and such understanding of Customers' quality requirements is the principle obligatory to all WZL-4 S.A. employees:

Fulfillment of Agreed Requirements within the Time Limits

The objectives of our Quality Policy are as follows:

- overhaul of products in accordance with customers' expectations, requirements of standards, supervisory authorities and adapted source documentation;
- **performance of services according to customer expectations, requirements of standards, supervisory authorities and adapted source documentation;**
- continual improvement of skills of the staff, following increased needs and quality requirements;
- appropriate delegation of authorities in relation with implementation of the principle that tasks, responsibilities and authorities have to be corresponding;
- continual analysis of Customers' needs and expectations.

Warranty of the QUALITY POLICY realization is continual improvement of the Quality Management System applied in accordance with requirements of the standards ISO 9001, AQAP 2110 and AQAP 2310 in WZL-4 S.A., for the P-3A Department – AS 9100 rev.D in scope of the plasma spray process.

WZL-4 S.A. fulfills the requirements of the Act of 29 November 2000 on foreign trade in goods, technologies and services of strategic importance to the security of the State and to maintaining international peace and security.

The Quality System presented in the Quality Manual is accepted by management and personnel of the company for its implementation, maintenance and continual improvement of its efficiency.

On behalf of all my employees and myself I declare improvement and development of the QUALITY MANAGEMENT SYSTEM in accordance with requirements of the above mentioned international quality management standards.

President of the Board
